

Why Create an Online Account on Clarionsafety.com?

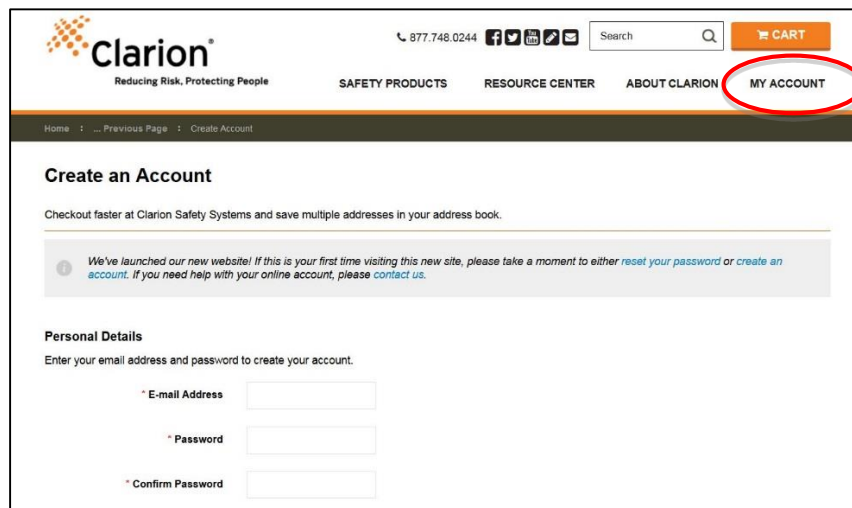

This sheet details the benefits of creating an online account to place orders through our website. Please feel free to call us if you have any questions as we specialize in personalized service!

Online Account Benefits

Once you've created and logged into your account, you can:

- **Easily reorder by:**
 - Viewing your past order history to reorder items with just one click
 - Saving payment methods and billing addresses
 - Saving multiple shipping addresses for easy reuse
- **Experience real-time communication with our customer service staff** using our live chat feature.
- **View your order status** to track the shipping of your orders.
- **Create a 'wish list':** save items for future orders or to share with others in your company.
- **Add a purchase order number** to document your online order.

Ready to place your first order online? It's quick and easy to set-up your online account! Visit clarionsafety.com and under "My Account" in the main menu, select "Create Account."

Reducing Risk, Protecting People
