

Technical Data Sheet

Clarion Material Code CV

Description

10" x 10" Double-sided Red Lock in Safety Sign for Safety Floor Cone with Clarion Clear WeatherTuff Overlaminates

Primary Use

Clarion utilizes CV material for our Pool Safety Floor Cone Sign Toppers, as an additional component to our Pool Safety Floor Cone System. The sign is comprised of a durable injection molded plastic material and displays a graphic symbol on both sides of the sign for viewing from any angle. The graphics are protected with one of 3M's highest performing weather resistant overlaminates to better protect the sign from conditions that accompany pool environments such as heat, cold, chlorine, high humidity and sunlight. Our Pool Safety Floor Cones and Sign Toppers are suitable for indoor or outdoor use.
