CLARION SAFETY SYSTEMS ACQUIRES ARROW INDUSTRIAL SOLUTIONS

Clarion Safety Systems, a leading manufacturer of safety labels, signs, tags, and complementary product safety and risk reduction services, acquires machine safeguarding integrator, Arrow Industrial Solutions.

Milford, PA – January 4, 2024 – Clarion Safety Systems, a leading manufacturer of safety labels, signs, and tags, is pleased to announce the strategic acquisition of machine safeguarding integrator Arrow Industrial Solutions.

"We're thrilled to share this exciting news which marks a significant milestone for Clarion Safety Systems in our continued journey to grow our business with quality offerings for machine and workplace safety," says Ron Crawford, CEO of Clarion Safety Systems. "With the addition of the Arrow Industrial Solutions team to our family, we look forward to enhancing the level of expertise and value we provide to our clients in the pursuit of increasing safety and minimizing risks."

Arrow Industrial Solutions is a leading provider of full-service machine guarding and safety compliance solutions, assisting clients with consulting services, guarding design, monitor/control systems, and complete integration. With a hands-on and flexible approach to meeting client needs – and a focus on efficiently delivering high quality, comprehensive and OSHA-compliant safeguarding systems – Arrow Industrial Solutions has built a strong reputation for helping organizations enhance workplace safety.

Clarion Safety has a longstanding, 30-year history of collaborating with customers to implement best practices in relation to a broad range of product safety standards to maximize safety and reduce risk. In recent years, it has expanded its product and service portfolio beyond labels, signs, and markings, offering comprehensive machinery safety and risk consulting services. In 2022, Clarion Safety acquired Machine Safety Specialists (MSS), a leading machine safety and compliance consulting practice, as a subsidiary, elevating its risk assessment and compliance consulting services.

"With MSS, and now Arrow Industrial Solutions, as affiliated companies, we're proud to offer additional, high caliber services for our expanding base of safety-oriented OEM and industrial workplace customers. Both of these companies align extremely well within Clarion Safety Systems in terms of commitment to standards adherence, best practices, and quality service. Our team looks forward to the next steps in our partnership, and sharing more with our customers through the extended services we can now offer," Crawford says.
